

## ENTRY ACTIVITY #1: TIMELINE Instructions:

- There is a large **TIMELINE** on the wall.
- Using a pen, add your comments to the community history timeline to include significant events such as:
  - **Natural events**
    - droughts, wet periods, fires, floods, etc.
  - **Human settlements**
    - settlers, population changes, new development/subdivision, changes in land ownership, people moving in and out, *you* moving in and out, changes in economy, school construction, fire dept. construction, etc.
  - **Environmental changes**
    - Changes to the wildlife, water table, water courses, etc.
  - **Any other significant events you recall about your community!**

### Responsibilities:

*Warren:* Will provide materials (paper, post-its, pens/markers)

*Committee:* Will guide people towards timeline and help them understand instructions. Participate!
