The Bottom Line: Getting Things Done as a Community
So you’ve started a planning process... now what?
The Planning Process

IMPLEMENTATION

ANALYSIS

INVESTMENTS
REQUIREMENTS
PARTNERSHIPS

INVOlVEMENT

LAND USE
PUBLIC FACILITIES
NATURAL RESOURCES

PEOPLE!
Basic Principles

- A Community Vision, produced by...
- ...Getting “everybody” involved.
Basic Principles (cont.)

- A solid grasp on the facts and realities of your community
  - Natural Resources and land uses
  - Public Facilities and Infrastructure
Basic Principles (cont.)

- Analysis and Participation lead to...

- POLICIES that provide specific directions for your vision. Policies do two things:
  1) Identify a direction the community wants to go, and
  2) identify the tool to be used to get there.
Basic Principles (cont.)

- A variety of tools:
  - Partnerships
  - Investments
  - Requirements
Basic Principles (cont.)
