- Standards for protection of canals and ditches inside and outside the core;
- A commitment to exploring the possibility of a sidewalk along Churchill Road adjacent to the church and school;
- A commitment to form a non-profit to provide a forum for continued community conversation on growth issues in the community;
- Rough draft maps showing parks and trails within the core

7:10 – 7:40 Talk by Gene Townsend about parks and trails work done in Three Forks

7:40– 8:45 General discussion at individual tables regarding the action items
