
AGENDA

Water Quality and Quantity: Amsterdam/Churchill Area

Date/Time:

06/19/2008 2:30pm Conference Call

Attendees:

Jim Potts, Hydrogeologist/Engineer, HKM Engineering Inc.
Carolyn DeMartino, Water Quality Specialist/Geologist, DEQ
Joe Meek, Source Water Protection Program Manager, DEQ
Ada Montague, Planner, Gallatin County

RE:

Source Water Protection and Community Water Systems

1. Introductions, if necessary

2. Brief overview of Amsterdam/Churchill Neighborhood Planning to date and the role of the Water Assessment Subcommittee (AM/JP)

3. Discussion:

If Amsterdam/Churchill elects to include a community water system in their plans, how can source water protection be included (JP/CM/JM)?
