RE: Meeting August 11

Just a reminder that we have a meeting this Monday, August 11, at 7 pm at the Fire Department. Following is the agenda. We have three guest speakers – Ralph Johnson, the Chair of the Architecture Department at MSU, Rob Pertzborn, of Intrinsic Architecture, and Ron Slade, of Bechtel-Slade Architects. This meeting should dovetail well with our last meeting on the nuts and bolts of the sewer system, and will help answer questions about the design of new neighborhoods within the core.
