-Current discussion- Brent Sinnema and Warren Vaughn gave an update on the Rural Committee meeting held on 6/7/10 with landowners from mostly the northwest area of ACCPG. Settled most of the concerns with the Rural Chapter regulations. The Rural committee will work on communicating with them and others that have protested out. Discussed why some people are not getting the mailings, Gail and Warren to look over the mailing list.

Town core discussion and game plan was discussed. Discussed different ways to involve more people that live in Churchill/Amsterdam. Decided on calling for volunteers and giving them information and a specific task to work on in small committees. Smaller committees would report back to the board with their input. Everyone felt that this would be the most efficient way to work through the town core chapter regulations. Decided to have another community wide meeting to get the word out on the regulations before we would go to the County Commissioners.

Wayne Freeman mentioned that the Amsterdam Village might be coming with a new revised plan of development.

The following people will call for volunteers:

Jim Potts: Keith Venema, Mike Ovenal, Joyce Flikkema, Eleanor Den Hartigh

Dave Hoekema: Tim Dyksterhouse, Glen Flikkema, Loren Van Middendorp, Del Van Den Berg
