

RE: Meeting Monday

Date: 9/16/2010

Greetings!

I hope everyone has had a great summer these last couple of months and is ready to begin thinking about planning in the Amsterdam and Churchill area again. The small groups have met several times over the past couple of months and it's time to come together again and discuss that work. **We have a meeting this Monday, September 20th, at 7 pm at the Bank** to discuss the Town Core zoning document as well as the extension of the sidewalk along Churchill road. **We will also have a second meeting one week later on Monday, September 27th at 7 pm at the Bank.**

I've attached a few things to this email:

- An agenda
- Minutes from the June 28th meeting
- A basic cover sheet for the town core zoning document
- The DRAFT town core zoning document, including standards for the A-G sub-district.

I will be putting all of this in the mail today, but I wanted to get an email out early so that people have a heads up on Monday's meeting. Keep in mind there are still some loose ends to the work I've attached and that all of this is in draft form; the next few meetings we'll clean them up and talk about our next steps.

Thanks, and I'll see you on Monday. <<town core cover sheet.doc>> <<town core subdistricts sept 20 2010.doc>> <<agenda 9.20.10.doc>> <<minutes june 28 2010.doc>>
