

CLASS	II	<p>Description: Complete trail system connecting Amsterdam School area to the Churchill Community. The community of Amsterdam/Churchill is in need of basic sidewalks and safe paths to get from house to house, the school or the store, or simply walk kids in strollers and take the family dog for a walk.</p> <p>The project will require a more detailed plan and community input before specific routes within the area can be prioritized and funding can be applied for.</p>
